## ABOUT US

**Vedanta College**, Kolkata established in the year of 2019, is motivated to invigorate the passion of as many students as it can reach out to. After successful 24 years of service to the student community in Rajasthan and Maharashtra, Vedanta College is enthralled to set in motion its purpose in Kolkata. The College caters to provide quality academic programmes, comprehensive support services, financial aid, academic advice, placement opportunities so on and forth alongside the latest infrastructure including all the modern amenities and a conducive environment perfect for a student to grow and thrive.

To prioritize the dissemination of quality education, the College houses highly qualified enthusiastic teachers in their respective fields. While they make fine educators on their own merits, they are helpful enough to ensure that the students benefit from their inputs. Apart from the regular teaching staff, the College frequently invites successful professionals to share their wisdom and knowledge with the students which can sharpen their nuances.

## PRINCIPAL'S MESSAGE

In a short span of time, Vedanta College Kolkata has certainly made an unprecedented progress. The clarity of vision and efforts of the management and all those involved have gone a long way in shaping the institution. Education is an effective medium for social transformation. Education transforms both societies and people in a particular direction by shaping and reshaping their patterns of thoughts, means of problem-solving and ways of life. Education promotes capacity of the individuals to accept and adopt change in a meaningful way. Teaching is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, habits and attitude and that learning as a component should be in continuity. Teaching and learning are two sides of the same coin and both must co-exist in harmony to ensure that the desired goals are achieved. In our College, students will be exposed to an all-round development and will be achieving their full potential not just in the field of the academics but also in the extracurricular and co-curricular activities. VCK is supporting the students to develop the necessary skills which will make them more employable. We, at Vedanta College, explore the possibilities in every student, enhance their skill and prepare them for the future. Our students graduate with the right kind of mind set and qualities that are needed for their future growth, ensuring holistic development in the face of globalization.
