ABOUT US

Established in the year 2019, Vedanta College Kolkata run under the aegis of Vedanta Foundation is motivated to invigorate the passion of the economically backward community. After successful 30 years of service to the student community in Rajasthan and Maharashtra, Vedanta College is enthralled to set in motion its purpose in Kolkata. The college provides quality academic education, financial aid, career counselling and placement assistance to less privileged students through its well-equipped infrastructure.

Addressing the educational crisis in India, Vedanta College houses experienced enthusiastic teachers in their respective fields. While they make committed educators on their own merits, they are helpful enough to ensure that the students benefit from their input. Apart from the regular teaching staff, the College frequently invites industry stalwarts to share their wisdom and knowledge with the students, giving them practical exposure.

VISION & MISSION

We envision it to be an exemplar of an educational institution that delivers excellent education guided by the principles of innovation and integrity. Moreover, by removing the financial constraints, we want to make education accessible to all and for all. Our mission is to focus on the holistic development of the individual, to inculcate leadership qualities, to foster entrepreneurship programs that promote self-employment, and to infuse a sense of discipline for becoming a responsible citizen with the highest caliber in every walk of life.

PRINCIPAL'S MESSAGE

In a short span of time, Vedanta College Kolkata has certainly made an unprecedented progress. The clarity of vision and efforts of the management and all those involved have gone a long way in shaping the institution. Education is an effective medium for social transformation. In our College, students will be exposed to an all-round development and will be achieving their full potential not just in the field of the academics but also in the extracurricular and co-curricular activities. VCK is supporting the students to develop the necessary skills which will make them more employable. We, at Vedanta College, explore the possibilities in every student, enhance their skill and prepare them for the future. Our students graduate with the right kind of mind set and qualities that are needed for their future growth, ensuring holistic development in the face of globalization.

Students' Speak

Name: Akash Prasad Shah
Course: B.A (General) - Second Year
School: Khanna High School

Our college, VCK, focuses on the holistic development of the students. Teachers at Vedanta College, Kolkata is dedicated to imparting quality education. The guidance and care that students receive from them are undoubtedly beyond comparison. Our college has a familial and inclusive atmosphere to ensure that every student succeeds. To enable every student to pursue their vocation, we also have Skill Development Programs like Digital Marketing and Soft Skills ZModule. I can, without being equivocal, guarantee that Vedanta College is one of the most promising higher education institutions.

Name: Utsav Bhattacharya
Course: B.A (Honours) - Second Year
School: Kendriya Vidyalaya

Vedanta College, Kolkata is dedicated to providing quality education. The amount of focus we receive from them is beyond comparison. Our college has a cordial atmosphere where we have Skill Development Program such as Communication classes and Digital marketing that prove to be beneficial to the students by and large. I can say that my college is better than most other colleges in Kolkata in various respects.

Name: Prachi Pandey
Course: B. Sc (Honours) - Third Year
School: Dum Dum Airport Hindi High School

College experience in an individual's life forms the foundation of finding one's future career. The academic program at Vedanta College Kolkata prepared me for the corporate world. The teaching experience with the college faculty aided me to excel in my academics.

Name: Satyam Jaiswal
Course: B. Com (Honours) - Third Year
School: Mahavir Institute of Education & Research

The faculty of Vedanta College truly believes that learning is quintessential for success whether it's offline or online. Hence, they have left no stone unturned to support and encourage students in their endeavors. The infrastructure of the college is fabulous. The digital teaching pedagogy used in the classrooms gave me a clear understanding of the subjects of my study. The library in the college is an ideal place for students to study. As a student of this college, I am really blessed to get admission in it.
